At Noritazeh Glass Co. (NTGC) we take pride in honoring distinguished heritage. Crafted in the fiery heat of molten furnaces, our crystalline and glassware products embody a flawless fusion of meticulous artistic ingenuity and precision technology. Radiating with captivating brilliance, each piece is a visual delight, symbolizing our commitment to excellence. Beyond their aesthetic allure, our products stand as solidly reliable and functional objects, seamlessly blending beauty with utility.

Recognizing the market demand, our founder, equipped with a team of Iranian experts, set out to achieve the goal of fulfilling consumer preferences with glassware products crafted to international standards, and in 1996 established NTGC, marking the inception of the compelling journey of our brand. Ever since, utilizing cutting-edge production lines equipped with the latest global technologies, our company crafts an extensive range of glassware including dinnerware, drinkware, serving and food storage dishes, and ovenware to cater to the diverse needs of families.

NTGC has emerged as a prominent player in the industry, securing a rightful place not only in the regional and Iranian markets but also globally. With an annual production capacity of 50 thousand metric tons, NTGC exports proudly to over 55 countries and has expanded its footprint from the Middle East to Central Asia, South America, Africa, and Europe. This international reach reflects the company's dedication to hard work and its role as a symbol of technology, quality, and consumer respect.

At the core of NTGC's success is a customer-centric policy, prioritizing satisfaction by designing new products tailored to consumer needs and maintaining the highest quality standards. More than a quarter of a century has passed since NTGC embarked on this journey, a journey marked by the meaningful accomplishment of fostering steadfast loyalty with our devoted customers. This enduring goodwill is the result of the tireless efforts of our dedicated team, and the trust bestowed upon us by loyal customers stands as our highest reward and achievement.

Whether in a thriving metropolis where towering skyscrapers frame the horizon, or in a quaint village, where lush meadows and adobe homes exude peaceful serenity, each day begins with the gentle touch of sunlight streaming through our windows, filling our homes with warmth and light. As the sun rises, the world stirs to life—pulsing with energy, purpose, and the promise of new beginnings. When the sun gingerly retreats, light succumbing to twilight, the hum of the day quiets down, and life pauses to embrace calm and reflection.

This is the timeless rhythm of life.

At Noritazeh, we are proud to have shared in this miraculous journey of light and renewal with you—day and night—for nearly thirty years.

From cheerful breakfasts to cherished family meals, from quiet moments to formal gatherings and joyful celebrations with friends, from the vigour of busy workdays to peaceful evenings of leisure—our glassware by your side, brightens your “Life in Style”, adding elegance and beauty to every moment.
