

SAKURA®

2 0 2 5
WINTER EDITION

At Noritazeh Glass Co. (NTGC) we take pride in honoring distinguished heritage. Crafted in the fiery heat of molten furnaces, our crystalline and glassware products embody a flawless fusion of meticulous artistic ingenuity and precision technology. Radiating with captivating brilliance, each piece is a visual delight, symbolizing our commitment to excellence. Beyond their aesthetic allure, our products stand as solidly reliable and functional objects, seamlessly blending beauty with utility.

Recognizing the market demand, our founder, equipped with a team of Iranian experts, set out to achieve the goal of fulfilling consumer preferences with glassware products crafted to international standards, and in 1996 established NTGC, marking the inception of the compelling journey of our brand. Ever since, utilizing cutting-edge production lines equipped with the latest global technologies, our company crafts an extensive range of glassware including dinnerware, drinkware, serving and food storage dishes, and ovenware to cater to the diverse needs of families.

NTGC has emerged as a prominent player in the industry, securing a rightful place not only in the regional and Iranian markets but also globally. With an annual production capacity of 50 thousand metric tons, NTGC exports proudly to over 55 countries and has expanded its footprint from the Middle East to Central Asia, South America, Africa, and Europe. This international reach reflects the company's dedication to hard work and its role as a symbol of technology, quality, and consumer respect.

At the core of NTGC's success is a customer-centric policy, prioritizing satisfaction by designing new products tailored to consumer needs and maintaining the highest quality standards. More than a quarter of a century has passed since NTGC embarked on this journey, a journey marked by the meaningful accomplishment of fostering steadfast loyalty with our devoted customers. This enduring goodwill is the result of the tireless efforts of our dedicated team, and the trust bestowed upon us by loyal customers stands as our highest reward and achievement.

SAKURA®

Sparkling Elegance

Born in the enchanting Far East, the land of the rising sun, where cherry blossoms shimmer under golden sunlight and petals dance in the breeze, whispering nature's poetic song—Sakura springs to life, embodying the enduring romance and allure of crystalline elegance. Each glittering Sakura piece, a tactile tale of radiance, beckons you to experience its mesmerizing brilliance firsthand. A remarkable fusion of art and mastery—Sakura glass embodies an authentic vision that creates timeless impressions and precious heirlooms.

Each Sakura piece reflects creative artistry—designed to inspire awe, spark joy, and elevate every gathering. From the delicate dance of light through expertly cut crystals to the intricate details, every piece embodies the beauty of craftsmanship, created to share lasting legacies with those you treasure.

Handcrafted by Persian artisans, Sakura marks a bold new chapter in the story of glassware — celebrating the warmth of gatherings with unparalleled grace and refinement.

Sakura illuminates the "Sparkling Elegance", turning cherished moments into unforgettable memories.

Packaging

NTGC recognizes the importance of packaging that combines both aesthetic appeal and durability. We have meticulously designed and produced boxes using high-quality materials to ensure that products reach consumers safely and securely.

• Box

• Features

Dishwasher Safe

Tempered

Microwave Safe

Resistant

Furthermore, each packaging solution serves as an effective medium for conveying essential information to buyers, facilitating their selection of the appropriate glassware. In our latest design of boxes and cartons, we have focused on presenting this information clearly and concisely, ensuring ease of understanding for all customers.
